Where Fun Meets the Sun!

Discover Stewardship Travel in Avila Beach

Stewardship Travel is about adding a bit of "doing good and feeling good" to your vacation. As you plan your trip along the California Highway 1 Discovery Route, add an hour or two of fun volunteer time to your day, or schedule a travel adventure to a natural, cultural or historic site. Walk in an Audubon Preserve, help restore a State Park trail, contribute to an historic lighthouse, make new friends at a beach clean-up or become a "citizen scientist" at a nature center. Your stewardship benefits the Central Coast and adds fun connection and purpose to your vacation.
